Organizer : Jadavpur University Singapore Alumni Association and E-Cell JU

Brief Description of the event: This webinar was organized by the Core Members of Jadavpur University Entrepreneurship Cell (JU E-Cell) in collaboration with the Jadavpur University Alumni Association Singapore (JUAAS). The session started off with a welcome address by JUAAS and then Mr. Soumya went on to discuss in detail about Developmental Finance and its applications in current scenarios.

The participants were provided with an elaborate discourse on the modus operandi of Development Finance Institutions like IFC, EXIM to name a few and the different functionalities of such institutions. Over the 90 minutes long session, Mr. Soumya discussed various case studies to highlight the applicability and logistics of these institutions, with Ms. Ayushi sharing her perspective on the matter. The uniqueness of each institution's lending procedure and purpose was brought out quite aptly by the end of the session.

The webinar was concluded with a question and answer session to clarify the doubts, moderated by Ms. Ayushi which saw questions mainly on the relevance of Developmental Finance in the current scenario, by the participants.

Overall, the webinar was successful and received positive reviews.
