

Name of event: Manager Hustle

Dates: 2nd January to 15th January

Venue: Virtual Zoom Meet (Live Stream from Jadavpur University Entrepreneurship Cell YouTube channel)

Structure of the event-

- There were 2 rounds- Prelims and Final.
- Each round had 2 segments - Auction Round and Transfer Window.
- In the auction round participants bought players from a pool provided by the organisers by spending the virtual money allotted to each team.
- At the end of the transfer round each team had to acquire at least 5 players (for prelims) and 13 players (for finals).
- Transfer window began just after the auction round. Within the same pool, any team could approach any other team for exchanging players in return of virtual money/another player/player+money as it is done in the real world.
- After a successful negotiation, both the seller team and the buying team confirmed the details of the transfer to the organisers and then the organisers made the formal announcement of the transfer
- After both the rounds, each team were evaluated on the basis of total player ratings and the money left in the wallet.
- The team with the highest points qualified for the final/ won the final.
